PROFILE

Third-year Artificial Intelligence and Machine Learning engineering student skilled in Python, SQL, Excel, and data visualization tools. Experienced in analyzing datasets, building dashboards, and extracting insights through data analytics projects. Seeking a Data Analyst or AI/ML internship to apply analytical and problem-solving skills.

SKILLS

Programming: Python, SQL
Data Analysis: Excel, Data Cleaning, Exploratory Data Analysis (EDA)
Visualization: Power BI, Tableau, Matplotlib, Seaborn
Concepts: Object Oriented Programming, Data Structures (Basic)
Tools: Git

PROJECTS

- | | |
|---|--------------------|
| Sales Data Analysis and Visualization | Dec 2025 – Present |
| <ul style="list-style-type: none">Analyzed sales dataset using Python (Pandas) and Excel to identify revenue trends and performance insights.Cleaned and processed raw sales data to improve data quality and analysis accuracy.Built dashboards to track key performance indicators including revenue, profit, and growth.Visualized monthly sales trends, top-performing products, and regional sales performance. | |
| Customer Churn Data Analysis | Feb 2026 – Present |
| <ul style="list-style-type: none">Performed exploratory data analysis (EDA) on customer datasets to understand churn behavior.Identified key factors contributing to customer churn using statistical analysis.Used Python libraries including Pandas, Matplotlib, and Seaborn to visualize patterns and insights. | |

INTERNSHIP

- | | |
|--|----------|
| Data Analytics Virtual Internship – Deloitte Australia (Forage) | Feb 2026 |
| <ul style="list-style-type: none">Completed real-world data analytics tasks using business datasets.Performed data analysis and created visual insights to support business decision making.Interpreted data trends and presented analytical findings. | |

CERTIFICATIONS

- | | |
|--|----------|
| Computer Vision Basics – University at Buffalo | Sep 2025 |
| Software Engineering: Software Design and Project Management – HKUST | Nov 2025 |
| Deloitte Australia – Data Analytics Job Simulation (Forage) | Feb 2026 |

HACKATHON

Participated in a hackathon focused on developing technology-based solutions and presenting a working prototype.

EDUCATION

- | | |
|--|-------------|
| Bachelor of Engineering in Artificial Intelligence and Machine Learning in Alvas Institute of Technology, Mijar 2022
2027 | |
| State Board 12th, Sports College Chandaragi | 2014 - 2021 |

VOLUNTEERING

- | | |
|--|----------|
| Volunteer | |
| Assisted in teaching underprivileged children. | Dec 2024 |
| Participated in social service and outreach initiatives. | May 2025 |
